SKIPPING YOUR PAYMENT

Get ready for back-to-school time by skipping your September loan payment! With United Consumers Credit Union's skip-a-payment program, members with loans may pay a processing fee of 10% of the loan payment or \$50 (whichever is less), and put off the September payment without penalty!*

Just fill out the convenient form, and return it to any UCCU office before the request deadline to see if you qualify. **Don't delay – the deadline is Friday, Aug. 20.**

*Does not apply to mortgage/home equity loans, credit cards, share/CD-secured loans or lines of credit. Account must be open for at least a three-month period with three straight months of on-time payments to qualify. Eligibility based on member credit and other factors. Skip-a-payment fee is payable at the time of application. Regular payments will resume with your October 2021 payment. Interest continues to accrue during deferment period. Loan maturity date will be extended for the number of months of the applied extension. If your auto loan has GAP protection, please contact your insurance carrier to determine how a skip-a-payment may affect your coverage. Offer subject to approval and does not apply to the first payment of any loan. All applicable parties must sign the form. The fee to skip a payment is 10% of your payment or \$50, whichever is less. Contact the credit union for complete details.
