Financing Your Home With Us Keeps Your Money In The Community

United Consumers Credit Union is different from other lenders, because of our philosophy of giving back to the communities we serve. We know that lending members money at competitive rates to buy their dream home or improve their current home helps us uphold this credit union philosophy.

We are a full-service mortgage lender, so talk to us about:

- Fixed-rate mortgages.
- Variable-rate mortgages and equity lines of credit.
- FHA, USDA and VA mortgages.

Finance your home with people you know and trust – contact us today to get started! Our online application takes just minutes to complete.

Our mortgage loan originators are registered with the Nationwide Mortgage Licensing System, as required by the Secure and Fair Enforcement Act (S.A.F.E Act). To confirm that your mortgage loan officer is registered, you can visit the NMLS website (NationwideLicensingSystem.org) and enter his or her unique identifier or name. If you have already applied for a mortgage loan, the unique identifier of your mortgage loan officer and UCCU were provided to you on the application you completed. If you would like the unique identifier of a loan officer, feel free to contact your local branch or call 816-325-6900.
